

Respondent denies that the \_\_\_\_\_ flu vaccine caused his HA, leukostasis, respiratory failure, any other injury, or death. Nonetheless both parties, while maintaining their above-stated positions, agreed in a stipulation (filed \_\_\_\_\_) that the issues before them could be settled, and that a decision should be entered awarding Petitioner compensation.

I have reviewed the file, and based upon that review, I conclude that the parties' stipulation (as attached hereto) is reasonable. I therefore adopt it as my decision in awarding damages on the terms set forth therein.

The stipulation awards:

- A lump sum of \$200,000.00 in the form of a check payable to Petitioner as legal representative of the Estate of \_\_\_\_\_. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

Stipulation ¶ \_\_\_\_\_. This amount represents compensation for all damages that would be available under Section 15(a) of the Act.

I approve a Vaccine Program award in the requested amounts set forth above to be made to Petitioner. In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment herewith.<sup>3</sup>

**IT IS SO ORDERED.**
